4 2 2

Exclusively positioned in one of GyMEA Bays premier cul de sacs, this signature home boasts level street entry, spacious interiors and delightfully private bush vistas. Contemporary in design, the super generous open plan living spaces flow effortlessly to wide alfresco verandas on both levels, making this the perfect residence for those families who not only value their privacy, but love to entertain. Awash with natural light throughout, the Cathedral ceilings and wide sliding doors compliment beautiful high gloss brush box timber floors. A second family/media room (with adjoining powder room) could readily convert to a master or guest bedroom if required.
